Canyon Clean sweep will take place June 2nd and 3rd. It will be an official Firewise event. Last week, Mary filed with the IRS to get a 501C3 designation. Thus the Fire Safe Council is now an independent entity. They are also working on getting the Firewise community designation. The Fire Safe Council is in line to be the first Firewise Community in the state of California.

The first concert in the park in Silverado will be on May 12th and there will be ice cream and an information booth. Please stop by for information about anything concerning fire safety.

A bill (1308), which is a bill to repeal a new \$150 fire tax is in the works. Talk to Mary for more information.

OLD BUSINESS

Abbey Project

There are updates on the Abbey website. An ICL member asked the Abbey Brothers to comment on a recent letter from Wildlife Fish and Game. The Abbey Brothers declined to comment.

NEW BUSINESS

Ruby Moldinado: OWTS

Ruby Moldinado works for the County of Orange and is part of OC Planning. There is a proposed policy that she came to talk about has been proposed by the state and concerns septic tanks. People who have septic tanks within 600 feet of an "3O3D impaired water body" will be affected by this new policy. The Silverado Creek is an impaired water body (putting it in the tier three category) and many canyon residents would be affected. It is not totally clear what tier three requirements are but new and existing septic systems will be affected. The county of Orange is planning to submit a comment letter to the state. Ms. Moldinado encouraged everyone to review the policy and also submit comment letters. If she receives comment letters, then she will forward them to the state along with the county's. Comments must be submitted by May 4th, 2012. Ms. Moldinado stated that Supervisor Campbell is very concerned about the policy and how it will affect residents. There will be a vote by the Regional State Water Board on

the proposal in June. Several ICL members made comments and asked questions. Ms. Moldinado will provide websites and contact information for relevant parties.

There was a suggestion from the membership for the ICL board to write a letter of comment to send to the Water Board.

Bruce Newell made a short presentation about his involvement in the issue. He shared his extensive knowledge of the issue and reported that IRWD is not involved in the process and does not plan to get involved in the process. He has communicated with the supervisors' office and they understand the problem. He recommended that we all write letters of comment but that we begin to think about making plans for the future.

ADA Compliant Restroom

The new ADA compliant toilet will be installed in Modjeska Canyon soon. Mike made a motion to move the June meeting to Modjeska Canyon. Carolyn seconded. The motion passed. The June meeting (June 5th) will take place in Modjeska Canyon.

New Committee Proposal

Judi Bruno proposed that the ICL form a "Disability, Access, and Fundamental Needs Committee". She volunteered to head the committee and invited others to join. This committee would contact all people with disabilities in the canyon area and work with them to help them in disaster situations. The directors will discuss and this will be readdressed at the June meeting.

No Offer from OCTA

Carl Reinhardt reported that an OCTA board member attended the recent Easter pancake breakfast. She spoke to Carl at that time and told him that no offer has been made on the Holtz Ranch property from OCTA to use measure M funds.

ADJOURNMENT: The meeting was adjourned at 8:43 PM.
